

Notification of Column Label and Column Box Label Changes

Dear Valued Customers,

Thank you for using our products.

We would like to inform you of the upcoming changes to the column label and column box label design for all HPLC and LC/MS columns that GL Sciences Inc. in Japan manufactures. Please note that there is no change to the excellent performance and reliable quality of the columns.

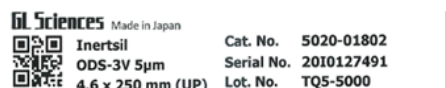

Changes in the Column Label and Column Box Label Design:

We will be updating the design of the labels on the column and the column box as illustrated in the diagram below. Please note that only the design will be altered, and there will be no changes to the product information.

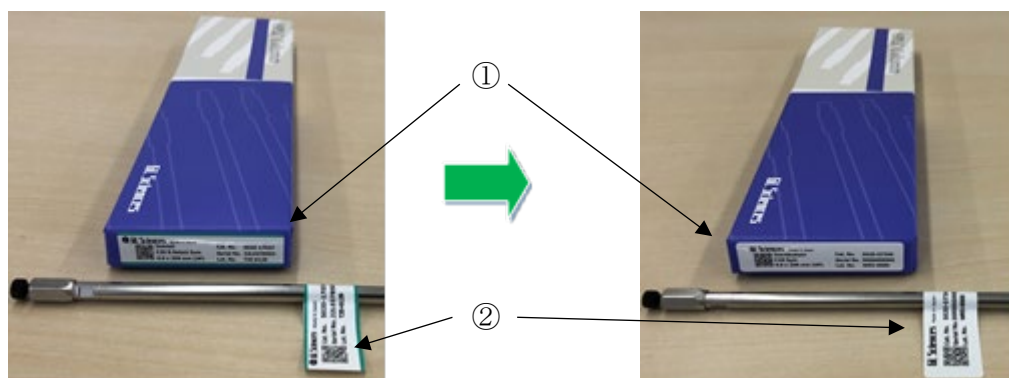

Old Label

New Label

① Label for Column Box

② Label for Column

- Affected Products : All HPLC and LC/MS columns manufactured by GL Sciences Inc. Japan.
- Implementation Date : April 2024
*Products manufactured prior to April 2024 will continue to be shipped with old labels until existing inventory is depleted.

Thank you in advance for your continued use and support of our products.

Yours sincerely,

Makoto Suzuki
Manager, Quality Assurance Section
GL Sciences Inc.
